GRAPHIC DESIGNER

Aboitiz Transport System Corporation (now 2GO group, Inc.)
February 2008 - December 2008 (11 months) | Manila, Philippines
Designs all marketing and advertising collaterals for digital and print.

GRAPHIC SPECIALIST

SPI Technologies | June 2006 - December 2007 (1 year 7 months) | Philippines
In-charge of editing and enhancing photographs of medical books.

Every design development and image that I capture is an expression of my life and soul. I feel privileged to be in the creative industry which I truly love and am passionate about. Armed with passion, creative skills and positive attitude, I'm thrilled to explore a different industry. I'm willing to learn new skills that will help me expand my current skill set to excel in the job.
